7/9 - 7/12

List in detail all the reasons for your grievance. (What is the problem? When did it happen - date/time/place?) Attach copies of any documents or any material(s), which support your grievance, including the names of any persons you think should be questioned.

Some people, like me, have a high pain tolerance and yet we are expected to beg for help in order for the guards to find our pain "believable", because I do not beg, I have to endure much pain and cruelty (as I'm sure, many others).

Describe what action you want taken to resolve the grievance. (How can the problem be solved?)

I would like, actually, I need a more accountable, trustworthy communication system to ensure & confirm my questions & concerns have been recieved & responded to or I would prefer to be transferred back to Lane County Jail where staff are much more accountable, disciplined & simply caring.

Whom are you grieving: Foster / Law LibraryPlease provide the date/time of incident giving rise to grievance: 7/7 - 8/25, 8/23

List in detail all the reasons for your grievance. (What is the problem? When did it happen - date/time/place?) Attach copies of any documents or any material(s), which support your grievance, including the names of any persons you think should be questioned.

Since arriving in Segregation (DSU) Foster has shown up anywhere between 7-930 am and sometimes not at all, his unpredictable timing makes it difficult to catch and speak with him.

On 8/23 I asked if I could have a form to access the indigent funds in order to receive a "Step 2 of Fast & Speedy Form", he contradicted OAR 291-139-0180 by saying "There is no form.. if you're broke you're broke but They might give you one" this was after I was told to "work with your legal officer to order form" I do not know who They is. The Law Library access manual is horribly insufficient, my legal aid phone call is too short and OAR 291-139-0140 says I should have "reasonable access to computer equipment"

Describe what action you want taken to resolve the grievance. (How can the problem be solved?)

I would like to access indigent fund form or to receive Step 2 Fast & Speedy also need computer equipment to compile Tort in proper format & longer time to rent/access "Prisoners Self-help litigation manual"

Re: Non-Medical# OSP_2023_08_135

The grievance you submitted is being returned to you due to non-compliance with the Department of Corrections (DOC) Rule #109 (Grievance Review System) for the following reason(s):

1) Grievances must be received by the institution grievance coordinator or designee within 14 calendar days from the date of the incident or issue being grieved, unless the AIC can satisfactorily demonstrate why the grievance could not be timely filed. Untimely grievances will be denied and returned to the AIC with a statement of the rule.

2) An AIC may only request review of one matter, action, or incident per grievance.

If you have any questions regarding your grievance, please refer to the Department of Corrections Administrative Rule "Grievance Review System" tab #109 located in the legal library or kyte your institution Grievance/Discrimination Complaint Coordinator.

"event: 8/23" received: 8/29" denied: 9/1"

complied w/ Both¹ (1 & 2) first sentence provided context for matter to be reviewed (the one on 8/23)

1) a more accountable law library communication system & records (advise by word of mouth is too unreliable/liable-to-corruption) 2) more critical/caring assessment of grievances

List in detail all the reasons you disagree with the original grievance response or initial appeal response. (For the initial appeal, attach original grievance form and staff response. For the final appeal, attach the initial appeal form and response as well as the original grievance and response.)

Grievance # OSP.2023.08.135¹ was denied for 2 reasons: 1) must be received by the institution coordinator within 14 days from the date of the issue being grieved. 2) An ALC may only request one matter per grievance. I have/had already complied with those rules: The first sentence provided context for the matter to be reviewed which was explicitly stated in Sentence 2 "On 8/23 I asked..." and the grievance is stamped as "RECEIVED AUG 29 2023" (6 days after the issue being grieved). So, although I want you to be aware of a number of abuses, I specifically discussed the incident to be reviewed (the one on 8/23). I am working with legal timelines/due dates and do not have time for such negligence.

Describe what action you want taken to resolve the grievance appeal if different from original grievance submission.

1) A more accountable law library communication system and records (advise by word of mouth is too unreliable/liability-to-corruption) 2) more critical/caring assessment of grievances

I did not initially Grieve this event out of fear I would exceed my limit of 4 per month, but it provides context/reason/understanding for why I have been depositing all Kites, grievances, appeals, order & envelope forms, folio requests and CO28's in the Secured Drop box near the Section entrance door. Kirk Bauer and Ganja (cells 9 & 10) and any others on the tier paying attention witnessed Foster overtly ignore my attempt to deliver/submit a folio request. I believe CO Harris witnessed it too, I spoke up after he (Foster) dropped off Papers for Bauer but hurriedly left with his cart - hours after typical (11am-12, sometime after lunch) The CO (Harris?) & Ganja confirmed he heard me but ignored.

Describe what action you want taken to resolve the grievance. (How can the problem be solved?)

I want to be understood for why I use this more secure method of Submitting paperwork: The Dropbox's purpose is not stated explicitly, multiple Communications have not been returned and to avoid illegitimate DSU & supervisors' or retaliation by staff.

List, in detail, action(s) taken. (What action was taken? Was the action what the AIC requested? If not, why? Who took the action? When was the action taken - date/time?)

All legal paper work goes through the Legal Officer. The Legal Officer then brings the paperwork to the Legal library for processing. By placing your legal paperwork in the Grievance box in the unit it will slow down, or stop the processing of your legal paperwork.

Be sure when the Legal Officer enters your unit and announces their presence you are prepared to request, and/or submit all your legal paperwork and forms for that day.

OAR 291-139-0140

(1) AIC's assigned to special housing will be afforded reasonable access to law library services through intra-facility telephone and loan systems, satellite law library materials, computer equipment in or near the special housing unit or some combination therein.

There is no OAR, Policy or Rule that states the time, days, or frequency when the Legal Officer must tour the whole SMH building to collect and hand out legal material. It only needs to be "reasonable." As a result the Legal Officer makes their rounds as time and circumstances permit.

An AIC communication form can also be used to communicate with the legal officer and using the internal mail system of the SMH building the Legal Officer can send you appropriate forms that you need to order research material, Legal materials, ECT.

This is what I am giving. The corruption of the internal mail system

Action wanted: multiple dropboxes like coffee creek or tablet/digital/receipt system to track a communication's place & progress

it is not reasonable to expect someone to remain silent or work for the legal officer. All hours of the day

What is the definition of reasonable? how do I know he's being reasonable? why is he given so much power without checks and balances

SECURITY

IMPORTANT NOTICE

Change of Regular Operations

Monday, October 2, 2023, between 1:00 pm and 4:00 pm

OSP leadership is hosting an event on Monday, October 2, 2023. The event will start at 1:00 pm and be over at 4:00 pm. This event will impact Alpha Block, the Yard, and showers. AICs from Alpha Block will not have out-of-cell time on the block, which includes showers, phones, tables, and the dayroom. I am closing the Yard and showers to facilitate the event.

The O.C. will resume normal operations in both areas after the 4:00 pm count clears.

This event will not have a significant impact on other areas of the facility, and we will have regularly scheduled activities such as visits, callouts, and work.

/s/ C. Borden, EP Captain

Laundry Bags

For AICs that are issued a laundry bag to be washed in the Clothing Room. There are to be only approved items placed in the laundry bags to be washed. The bags are washed once a week, and are subject to being searched. Any unauthorized articles will be confiscated and disposed of in the appropriate manner (i.e., Personal unauthorized articles being turned in to the Property Corporal to be reclaimed, and unauthorized state clothing going back to the clothing rotation).

/s/ T. Joli, Clothing Room Corporal

GENERAL SERVICES

Plumbing Work/Repair Requests

For timely processing of work/repair requests for plumbing in your housing cell or at your work location, please follow the procedure outlined below.

For housing cell

Notify your tier officer or block sergeant as soon as an issue arises. Provide a brief but detailed explanation.

An electronic work order request will be submitted to the Physical Plant Office for processing.

For work location (i.e., OCE, Food Services, Yard):

Notify your staff supervisor as soon as an issue arises. Provide a brief but detailed explanation. An electronic work order request will be submitted to the Physical Plant Office for processing.

All work order requests are prioritized based on the nature of the request and the current workload of the Plumbing Shop. Lower priority items such as a dripping cell faucet will be addressed as the workload allows.

/s/ J. Ellertson, Physical Plant Manager

TV Studio

Thank you all for your patience as we revamp and reorganize the TV studio. We should be fully staffed and finished with some of our studio upgrades and station adjustments by the end of October. As some of you already know, we have most of the regular music stations back and have added a few more in rotation for the enjoyment of everyone.

Please continue to be patient with our technicians as they work very hard at keeping this institution running. Thank you.

/s/ S. Palmer, Physical Plant Electronics Shop

List in detail all the reasons for your grievance (What is the problem? When did it happen date/time/place?) Attach copies of any documents or any material(s), which support your grievance, including the names of any persons you think should be questioned

I have been unable to call my mom and girlfriend
because since I arrived because the phone
continues to say I am unrolled / that a
phone is unregistered, that my pin is incorrect.
It should not be this hard to call someone,
no one has been able to help, I already sub-
mitted two Kites on the matter and have
not received any replies. This is torture, this
is inhumane, please let me talk to someone
on the outside

Describe what action you want taken to resolve the grievance (How can the problem be solved?)

I want someone to help me make a call ASAP
and to resolve this complication so others don't
have to go through the same problem

I was in PC in County Jail for 4 years of my life after as a Government and Military media producer and broadcaster I had made numerous publications against the virgins of the State, white Supremacists and High Profile states and I know the ease at which they can harm you due to the lack of Prison Security. Also my cell mate makes it impossible for me to read, write, sleep and even think to myself he is continuously talking, whispering to himself and laughing. He is obviously unstable and unwilling to talk about his thoughts and complex issues to me from doing anything productive be what action was taken to resolve the grievance. (How can the problem be solved?) I want Protective Custody. I do not want to be w/ my current cell mate or any other.

1 What is the name of your religion or religious faith? Unitarian/Universalist/
Pantism/Christian/Panda
AKA LOVE

2 When did you begin practicing your religion or religious faith? Did you practice this religion or religious faith before being incarcerated?

I first began eating a vegetarian diet after I was given "The Bhagavad Gita" by a monk in 2013, it meant "the song of god". I was invited and stayed at a temple in San Diego before I began my journey.

3 What religious practices have you engaged in since being incarcerated? Ministry
I have read up on as many religions as possible and found the Unitarian thread to be love. I have read the Old & New Testament, Koran, Buddhist scriptures, Zoroastrian scriptures, Old Norse (Hávamál), Vedas, ~ Bhagavad Gita.

4 What are you requesting specifically? Describe in detail what you want to do that you cannot do now or what you want to be provided with that you cannot have now.
I want to be on a Vegetarian diet (V.O. facto) many more if there is no reasonable way to be Vegan which I ate for a few years and do prefer but often could not afford healthy & organic options.

Really, I just want to be able to eat vegetarian and not be tempted w/ Meat by someone forgetting my 5. How are you taking advantage of the ways the institution is already accommodating the practice of your religion or religious faith?

I ask everyday to be put on the Vegetarian diet but for all meals (the next day) but they prefer to have forgotten quite a few days in a row.

I just want it to be a permanent CD 1571 (1/3/2022) thing I don't have to — request everyday 8

6 Have you discussed your request with any authorities, leaders or scholars from your religion or religious faith? If so, with whom have you discussed your request, and what have those individuals told you?

yes, some have told me to go
Vegetarian completely. But (no cooked food at all)
I am willing to whole of the distinction &

it does not contain any meat /
flesh from a living animal

Dear Mr Barrett

This court is in receipt of your letter requesting a 'speedy trial' on the probation violation that was filed in this matter on May 1, 2020. Your case does not qualify for a 'speedy trial' because you have already been convicted in this matter.

Dear Mr. Barrett

Just thought I'd let you know that we will consider re-opening the case. The probation violation that was as soon as possible. Currently this offender is in a very nice program for trans release. A.P. (program) is a day. I could be helping support the wife and daughter as well as my immediate family. I am naturally inclined to help. I will be in contact for a while.

in memo # C-16 2023 06 01 of complained about fear of being Targeted/Bullied/Intimidated out for making issues out (separation) This has been experienced by Mr. Thomson who refuses to give me

a veg. diet or a team of my meal. I
makes no sense, the recommended foods we do eat on
another diet in order to get the least/smart. There
is no vegetable reason for this bias/disrespect
and actually vegetables probably need the smart/
least more than the regular diet due to less
calories from some? veg. I just want to fit on
as much as possible even though I don't eat meat.
And veg. ^{high} veg. is nec. if ^{any} veg. yet it is diet rec.
secret about eating less. How can the problem be solved?

It must be Vegetarians to receive the same

 the Regular Diet. We should not be discriminated

On June 23, 2023 at approximately 2:30pm A/C, Adult in Custody (Barrett Spencer S.D., State Identification #22418875) had his Emergency button to let me know he isn't getting along with A/C. A/C Barrett Spencer said "I don't need that kind of energy and voice around me." I then asked A/C Sir John Mark SIDA to talk to me in the corridor and he said that he wasn't going to have an issue with him going back into the cell. I called A/C Barrett Spencer to the corridor and told him A/C Sir John is going to have an issue with him going back into the cell and gave A/C Barrett Spencer direct order to return to his cell after talking to him again and he said "I want to go back" so I told him he can go back to go to temp holding for refusing to go back to his cell. A/C Barrett Spencer stated "I am not going back to the cell I would rather go to temp holding." A/C Barrett Spencer refused my direct order to return to his cell. I called Corporal Jackson to help escort A/C Barrett Spencer to temp holding. A/C Barrett Spencer was placed in restraints and escorted to temp holding at approximately 3:00pm without further incident.

RIGHTS IN FORMAL AND INFORMAL HEARINGS

1. HEARING You are entitled to a hearing whenever a Misconduct Report is filed against you. Prior to your hearing, you will be provided a copy of the Misconduct Report, a Notice of Hearing Rights, and the Rules of Misconduct. Once you receive these documents, you will have at least 24 hours to prepare for your hearing, unless you waive this right. If you are charged with one or more major rule violations, you will have a formal disciplinary hearing before a Hearings Officer. If you are charged with only minor rule violations, you will have an informal disciplinary hearing before an adjudicator. Unless you specifically request that the minor charges be heard at a formal hearing, formal hearing proceedings will be recorded.

You may waive your right to attend your hearing. Inappropriate behavior could result in your exclusion from participation in the hearing. In such cases, the hearing will be conducted in your absence and you will be notified in writing of the decision.

2. REPRESENTATION/EVIDENCE: You have a right to speak on your own behalf and present evidence at the hearing. You will be allowed to receive assistance from another person during the hearing to prepare a defense, to understand the charge or the surrounding facts and rights available to you, if you have a visual, speech, or hearing disability and/or your competency is in question.

The Hearings Officer/adjudicator may exclude evidence that is determined to create a threat to the safety or security of the facility or that would not assist with the resolution of the disciplinary action. The Hearings Officer/adjudicator may consider evidence which is considered confidential, and you will not be provided the names of individuals providing the information or any specific statements they may have given.

3. INVESTIGATION/WITNESSES: In a formal hearing, you may request an investigation be conducted related to the charges against you or witnesses be called to testify on your behalf. However, you should submit your request for witnesses to the Hearings Officer in writing in advance of the hearing and include a list of the personnel you are requesting be called to testify and the questions sought to be posed to each person. Requests for witnesses must minimally be made to the Hearings Officer at the time of the hearing. You must provide the Hearings Officer with sufficient evidence to conclude that the results of the investigation and/or the testimony provided by witnesses will either constitute a defense to the charge(s) or substantiate the severity of the violation(s). Otherwise, the Hearings Officer may deny your request. Requests for witnesses made or received after a hearing is decided will not be considered in an informal hearing. You may request an investigation. Adults in Custody (AIC) are not permitted to call witnesses in an informal hearing.

4. FINDINGS/SANCTIONS The Hearings Officer/adjudicator will decide based upon the evidence, whether you have violated the rules as charged in the misconduct report. The Hearings Officer/adjudicator may find the alleged rule violation(s) for insufficient evidence of correction as necessary for further placement in a formal hearing, the Hearings Officer may find a violation of a lesser included charge. The Hearings Officer may dismiss the alleged rule violation(s) at any stage of the proceedings, with or without prejudice.

If you are found in violation, the Hearings Officer/adjudicator may impose sanctions. These sanctions may include but are not limited to segregation, monetary fines, loss of privileges, restitution, and basics.

In a formal hearing, the Hearings Officer will prepare and submit to the functional unit manager a written Finding of Fact, Conclusion and Preliminary Order within ten (10) working days of the conclusion of your hearing.

5. REVIEW You should direct concerns or issues regarding your hearing to the functional unit manager or designee as soon as possible after the conclusion of your hearing. Upon receipt of the Preliminary Order, the functional unit manager or designee will approve the order, as well as the date, time, and location of the hearing. The order will be signed by the functional unit manager or designee and the functional unit manager or designee will sign the order. The order will be signed by the functional unit manager or designee as a Final Order.

6. PETITION FOR ADMINISTRATIVE REVIEW Designees are subject to review by the Inspector General or designee.

- b) Review of extension of parole, release date, retraction of earned time, statutory good time, or extra good time
- c) Designees from the Virginia Department of Corrections, including those who are subject to the good time

An AIC may request an administrative review by completing the Department approved Petition for Administrative Review form (FD-1442) and submitting it to the Inspector General. The Petition for Administrative Review should minimally state the following:

- a) The date the hearing was completed and the case number.
- b) The date the AIC was notified of the violation or sanction(s) that triggered the review criteria set forth above.
- c) Sufficient information to show why the AIC is not substantiated, including a comparison with the provisions set forth in 29 CFR 105.

The Inspector General or designee shall provide the AIC with a written response to the Petition for Administrative Review within 60 days from the date the AIC's request is received. Documents submitted to the Inspector General shall not be returned to the AIC. For more information, please refer to the AIC's right to a hearing below. Thank you for reaching out via email to inform us of your Petition for Dissolution. I believe that I vaguely remember reviewing your document's back in June of this year. I tried to do a search for your case by both party names and was unable to find any details for your Petition. The Court does a very good job at keeping correspondence notes to existing cases, but it is near impossible to keep track of correspondence with a case number even if I seem to be sure that we have not yet accepted or processed your Petition.

In answer to your question about the addresses, I do believe that using both addresses should not be an issue. I would make a note on a possible address and explain the request to the Clerk. The Clerk, but for access to the case, should be able to figure that out and make appropriate notes. It is likely that we, the myself, your Mother's more than we could be, am in a critical care of service when Service has been performed.

Moving forward, I might be best to possibly tell you, Mother has not received any information on your previous Petition. I believe that a case was never set up. Please be sure to send in your Petition accompanied with a fee waiver, default application or with the \$100 filing fee.

Since I do not have a case to your letter to me, I will go ahead and keep it at my desk for the short term future. I will also let the awareness of my department regarding your Petition and be hopeful that your documents will come by my desk soon. Apologies for the lack of information and I wish I could give more details. I will remain positive that your goals will be back on track asap.

Warm regards,

Finding of Fact, Conclusion, and Order

Offender Name: Barrett, Spencer Joseph
SID: 22418875
Case #: 2307 OSP 0017 OSP 35
Date(s) of Hearing: 07/17/2023
Rules Charged:
110 Contraband I
401 Disobedience of an Order
Plea: None
None

JUL 31 2023

Procedural Points

Documentation provided at the hearing indicated that the Adult in Custody (AIC) had been given a copy of the Misconduct Report, Notice of Hearing, Rights and the Rules of Prohibited Conduct.

Per written testimony from staff, the AIC declined to attend the hearing and, as such, waived the right to be present at the hearing.

Finding of Fact

On July 7, 2023, Corporal Brock was working as the Behavioral Health Unit (BH-U) Corporal at the Oregon State Penitentiary. Corporal Brock reports at approximately 2:15 am Adult in Custody (AIC) Barrett, Spencer 22418875 refused to provide a urine sample upon their arrival to the Disciplinary Segregation Unit (DSU). AIC Barrett was given multiple opportunities to provide a urine sample and was advised they could have up to two hours with four cups of water with 30 minutes between each cup. AIC Barrett was told that by refusing or not being able to provide a urine sample would result in a Misconduct Report. AIC Barrett acknowledged and still refused to provide the urine sample for testing.

AIC Barrett declined to attend this hearing.

Ultimate Findings of Fact and Conclusions

AIC failed to provide, refused to submit or submit an unacceptable urine sample for testing, thereby violating Rule 110 C4 Contraband I.

On Rule 401 Disobedience of an Order I, the Hearing Officer is substituting the lesser included major rule violation of Rule 402 Disobedience of an Order.

AIC failed to comply with a valid order which created a threat to the safety, security, or orderly operation of a facility, thereby violating Rule 402 Disobedience of an Order I.

Preliminary Order

AIC has had 15 major rule violation(s) in the past two years. Rule 110 C4 Contraband I is on Level 2 of the Major Violation Grid.

We have received your grievance regarding an active PREA investigation. Due to the ongoing investigation, I am unable to respond to anything regarding the status of the actual investigation. You stated that you originally reported this event on 7/7/2023 to an unnamed Lieutenant and that they were going to provide you with a voluntary administrative hold packet for you to sign. You state this did not happen and DSU staff attempted to release you to General Population on 08/05/2023. I am not able to substantiate an administrative hold packet prior to 8/5/2023 but show you have been on administrative hold since 08/05/2023 after staff attempted to release you back to general population.

List, in detail, action(s) taken. (What action was taken? Was the action what the AIC requested? If not, why? Who took the action? When was the action taken -- date/time?)

AIC Barrett, Spencer # 22418875 received indigent envelopes for the month of September 2023 (August 2023) AIC Barrett was placed in DSU housing on 7/7/23. He was not eligible for indigents until August 2023. Indigents are passed out for the previous month. If Canteen does not receive a communication from an AIC, indigent envelopes will not be processed. The AIC needs to request on a separate communication for Legal Totes. OSP Canteen does NOT keep Legal Totes on hand and has to order them from NWC on an individual approval basis. OSP Canteen does NOT fill requests for Indigent Hygiene items. OSP canteen only fills requests for 5 indigent envelopes and 2 legal totes. The canteen will fill indigent envelopes for the month of August 2023 (July 2023) and October 2023 (September 2023). AIC Barrett will need to send a kite to Canteen requesting indigent legal totes when he is released from DSU.

Legal Officer
Title

What action was taken? (What action was taken? Was the action what the AIC requested? If not, why? Who took the action? When was the action taken - date/time?)

Legal paper work goes through the Legal Officer. The Legal Officer then brings the paperwork to the Legal Library for processing. By placing your legal paperwork in the Grievance box in the unit I will slow down, or stop the processing of your legal paperwork.

Be sure when the Legal Officer enters your unit and announces the presence you are prepared to request and/or submit all your legal paperwork and forms for that day.

OAR 291-139-0140

(1) AIC's assigned to special housing will be afforded reasonable access to law library services through a facility telephone and loan systems, satellite law library material, computer equipment in or near the special housing unit or some combination thereof.

There is no OAR Policy or Rule that states the time, days or frequency when the Legal Officer must tour the whole SMH building to collect and hand out legal material. It only needs to be reasonable. As a result, the Legal Officer makes their rounds as time and circumstances permit.

An AIC communication form can also be used to communicate with the legal officer and using the internal mail system of the SMH building the Legal Officer can send you appropriate forms that you need to order research material, Legal materials, ECT.

It is a waste of time and energy. We use the internal mail system.

Action needed: must be completed. The office needs to take steps to improve the mail system.

Procedural Points

Adult in Custody (AIC) received a copy of the Misconduct Report, Notice of Hearing, Notice of Rights in a Hearing and Rules of Prohibited Conduct. The AIC acknowledged understanding the Misconduct Report and Rights in a Hearing.

A mental health evaluation was submitted for this AIC and was considered by the Hearings Officer at the time of the hearing.

Finding of Fact

On October 15, 2023, Corporal Buczynski was working their assigned post in Unit 1 at the Oregon State Correctional Institution. Corporal Buczynski reports Adult in Custody (AIC) Barrett (22418875) said he would not live with another AIC in a cell. Corporal Buczynski asked AIC Barrett why and AIC Barrett said he had things done to him at the Oregon State Penitentiary and can't sleep with an AIC in the cell with him. Corporal Buczynski told AIC Barrett to go to the Changing Room to get dressed in and AIC Barrett refused. Corporal Buczynski gave AIC Barrett an order to go get dressed in and return to his assigned cell and AIC Barrett refused. Corporal Buczynski reports AIC Barrett was placed into restraints and escorted to the Disciplinary Segregation Unit.

Ultimate Findings of Fact and Conclusions

AIC overtly refused to promptly or in a timely manner comply with a valid order, which creates a threat to the safety, security, or orderly operation of a facility, thereby, violating Rule 4.01, Disobedience of an Order I.

Preliminary Order

AIC has had 1 major rule violation(s) in the past two years. Rule 4.01, Disobedience of an Order I is on Level 3 of the Major Violation Grid.

This AIC is listed as seriously mentally ill with no significant functional impairment.

Description of Violation (Explain how you discovered/learned the facts and who, what when, where, and how. Use continuation sheet if needed)

On November 1 2023 I Cpl J. Buczynski was working as Unit 1 1st Key A. Approximately 0900, I received a call from DSU letting me know I will be receiving a kickout from DSU. When A/C Barrett, Spencer SID # 22418875 arrived, I got him inputted into the Security Log. He asked if there was a person in the cell. I said "Yes." He asked if I remembered him from a couple weeks ago. I said "Yes." He said he does not want to cell in with anyone. I told him at this time that he was assigned to cell 50A, and that he needs to cell in. He said "No. I need protective custody." I then gave him a direct order to cell in. He again said "No. I need protective custody." At this time, I told him to turn around and to submit to restraints. I then escorted him back to DSU with no further incidents.

Dear Mom, (copy)

Could you please forward this letter to Harrison & Letoe
(and any other Pro Bono Civil Rights / Prisoners Lawyers) along with
my 7 page Assault letter. If you could please also copy and
forward that to my current address I will be using it to file
a 1983 civil rights suit.

On 12/1 I was given a misconduct report after requesting
Protective Custody segregation status for fear of my life
after being sexually assaulted and threatened with gang
retaliation by the Brooks gang, largest Prison gang in
Oregon. My misconduct report falsely states that I was
put in segregation because I wrote a threat to
the safety & security of the institution reversing
blame (D.O.C. is not safe, has multiple gangs, drugs and
violence and instead of providing a safer environment
retaliates against fearful (and justifiably so) inmates)
I requested to stay in DSU (disciplinary Segregation
Unit) until my release but was only given 14-days
and threatened with taking away my good time/early
release if I continue to seek DSU.

D.O.C. is guilty of Deliberate Indifference, Negligence
Cruel & Unusual Punishment by continuously denying me
Protective Custody and deliberately repeatedly making
me (and in some many others) fear for our life on a daily
basis.

Here is a list of DSP staff I notified of my cellmate Michael
Barnes assaulting me & dealing meth for his gang &
threatening me for snitching. Lt. Brown (7/7), DMHP Tanya (7/1)
Sunder (7/29, 8/3), Bond & Sgt Huddt (8/5), Hearing officer Goss (8/15)
Hale (8/15, 10/7), Sgt Lopez (8/19), Lt. Tumble (10/5), Lt. Erickson (10/19)
Anna Portney (9-10/17) CSCI Staff: Buczynski & Gates (10/19)
Cpt. Asay & Lt. Stevenson (10/24) Hearing officer (10/24) 58
all are guilty of deliberate indifference, negligence, cruel &
unusual punishment

Please let me know you received this letter and
if you could please copy and send back all the
letters you have received, for my own records.
I will be working on my Civil Rights suit and do
not know when I will be able to call you again, if
I remain in DSO which I plan on doing despite them
threatening to unjustly take away my social time.
This all reminds me of a Case I transcribed for
the Department of Justice, Department of Immigr-
ation where a Spanish woman, from Mexico, came
to receive Asylum in the USA as protection from
violent gang/Cartel threats. The Judge, M.M.
Yam, can? Cruelly denied her request and when
I googled the 1st names name I found an
article that stated she was found tied to a
pole stabbed with multiple knives, raped and
urinated on. I believe since then M.M. Yam
had paid for Good PR people to bury that
article because just I looked I could not find
it, but someday what I say will be proven true
by the record keepers. I transcribed that
Case in early 2019 and promptly left the position
of Court transcriber. It is quite disturbing to
Justice to be denied on sheer belief, especially
when we discover our own Governments private
interest in Gang activity (read Norman Chansky

Dear Mother, ✱ 3 ✱ ♡ ⊕ ⊗ ⊗ ⊗ Love

I was transported against my will to OSC1, today October 17. I know they will take my documents again. As they took my passport from 7/7/23 - 8/5/23 the last time I was forced to move (on 8.5) Again, they tried to cell me up with someone, I refused for the same reasons outlined in my initial & unusual assault. Hopefully they will express sympathy/understanding for my fears as now there is a record of 'friction' interactions and a hearing which must have dropped my last 'disobedience' of an Order - Misconduct report 8/5/23 - after they conducted an investigation into the matter.

Besides the initial panic and fear they are going to bring me into a cell with someone less 'polite' - OSC1 seems to be much better run 'more accountable' employees video surveillance cameras and my current solitary cell catches a reflection of sunlight from a nearby window, which does wonders for my sense of Peace (Matt's is) bringing a tiny amount of the essential 'inner-D' and 'heart' glow of Hope.

In my personal quest for Meaning, I have much to learn - by Victor Frankl - Promote the 'State of Responsibility'!

I hope to further Justice & mental health through my own experiences. 1. Protective custody is a necessity for a country where we need people to criticize police reporters & moral casters, a corrupt system, it is ridiculous to force criminals, who are a product of Poor Police/Mental Health.

Attachment styles from youth create trust or distrust & intimacy, and forcing 2 people with trust issues into a living space is ridiculous, everyone is forced into a small fight or flight - so they have still denied/reflected my own request for protective custody. which by them being so fails and the legal definition for recklessness - 'conscious disregard of a danger' 2. Security for Documents & legal actions I'm pursuing - if our country doesn't answer them, it

are questioning our Authority/Government (Because they
could just throw any dissenter into jail!) and 3. Health

anyways, it might seem too idealistic or dreamy but
when the Science backs up the dream and you look at
how far we've come as a society, we are so close to
something only the ancient Prophets were capable of seeing!
The Scientist, despite their reputation, is wing would
never actually deny God/the Cosmic Will (the
mysterious collective sub/un/conscious and the true
and behind all exterior motives) Because a true
scientist is forced into humility at the majesty of
such an intricate universe beyond our limited
dimensions of comprehension. Humility is essential
because a Scientist is always seeking in truth and our
record of old bad science just shows we can never hold
too strongly to anything we cannot directly & collectively
observe, question test and peer review.

... well, I've never humbled anyone wishing to step
into the wonder and love that this life is possible
and filled with so much Beauty. So let's preserve it and
help people slow down enough to see it before it ends
Well, I didn't expect that to come out and recognize
the confusing nature of my sentence structure But
maybe someone will enjoy it.

I enjoyed hearing about your favorite 'Happy Moment'

So I will share my own Joseph dreamer, noser & metaizer (the celestial scribe) fantasies/inspirations

it does really help. I still haven't gotten your

and having to now really keeps my mind - I always
see guilty I don't listen more and sometimes my

of your past. I remember your pet rats, your

the Hwy that leads to Chester, CA. I got
kinda spooked and ended my hike after that
hike - but I published it on my Facebook
with a photo of the "Secretary of State Photo ID"
signage. I have some pretty wild memories and
hope to hike PCT again with a Garmin GPS this time
in case I get kidnapped!) my favorite sections were
Marble Mtn, Porcupine Lake and Lassen Volcano
Park was cool. I saw a big mama seal and
her cub at/near the boiling hot spring named
'Devil's Kitchen' and was actually really
scared cause I heard a mama seal will often
slam around her cub in self-defense but
surprisingly they got separated and the mama
may have been scared. I was poorly playing
a Harmonica and singing "you don't know what
you're missing, it's the Devil's Kitchen" and actually
the PCT sucks by yourself, those views are
not to be missed! And everyone was reading
Northward, I only saw one other South
bounder. I kept daily journals but Donna
of McKenna destroyed them or my life's
work video / documentaries 2010-2020.
I hope she still has it. That was a lot of work!
But after learning to lose everything over and
over I've gotten decent @ re-inventing myself

On 08/15/2023 the Hearings Officer granted the AIC's request for investigation. The case was recovered on 10/25/2023 and concluded.

On August 25, 2023 Sergeant Heldt was working as the Disciplinary Segregation Unit (DSU) Sergeant at the Oregon State Penitentiary. Sergeant Heldt reports at approximately 1:00 pm, receiving Adult in Custody (AIC) Barrett, Spencer (22418875) multiple directives to vacate the DSU cell and return to general population housing as AIC Barrett's segregation sanction was complete. AIC Barrett refused to comply and leave the DSU. At the hearing AIC Barrett stated they had safety concerns if released to general population. This hearing was postponed for investigation.

Captain Adamson reports the investigation was inconclusive and alternative housing was considered. *several did not show up*

When this hearing was recovered AIC Barrett was housed at the Oregon State Correctional Institution AIC Barrett declined to be present for the reconvened hearing.

Title

RIGHTS IN FORMAL AND INFORMAL HEARINGS

1. HEARING: You are entitled to a hearing whenever a Misconduct Report is filed against you. Prior to your hearing, you will be provided a copy of the Misconduct Report, a Notice of Hearing Rights, and the Rules of Misconduct. Once you receive these documents, you will have at least 24 hours to prepare for your hearing, unless you waive this right. If you are charged with one or more major rule violations, you will have a formal disciplinary hearing before a Hearing Officer. If you are charged with only minor rule violations, you will have an informal disciplinary hearing before an adjudicator, unless you specifically request that the minor charges be heard at a formal hearing. Formal hearing proceedings will be recorded.

You may waive/decline your right to attend your hearing. Inappropriate behavior could also warrant your exclusion from participation in the hearing. In such cases, the hearing will be conducted in your absence and you will be notified in writing of the decision.

2. REPRESENTATION/EVIDENCE: You have a right to speak on your own behalf and present evidence at the hearing. You will be allowed to receive assistance from another person during the hearing to prepare a defense, to understand the charge or the surrounding facts and rights available to you. You have a visual, speech, or hearing disability and/or your competency is in question. The Hearing Officer/adjudicator may exclude evidence that is determined to create a threat to the safety or security of the facility or that would not assist with the resolution of the disciplinary action. The Hearing Officer/adjudicator may consider evidence which is considered confidential and you will not be provided the names of individuals providing the information or any specific statements they may have given.

3. INVESTIGATION/WITNESSES: In a formal hearing, you may request an investigation be conducted related to the charges against you or witnesses be called to testify on your behalf. However, you should submit your request for witnesses to the Hearing Officer, in writing, in advance of the hearing, and include a list of the person(s) you are requesting be called to testify and the questions sought to be posed to each person. Requests for witnesses must minimally be made to the Hearing Officer at the time of the hearing. You must provide the Hearing Officer with sufficient evidence to conclude that the results of the investigation and/or the testimony provided by witnesses will either constitute a defense to the charge(s) or substantially lessen the severity of the violation(s). Otherwise, the Hearing Officer may deny your request. Requests for witnesses made or received after a hearing is decided will not be considered. In an informal hearing, you may request an investigation. Adjudicators in Custody (AIC) are not permitted to call witnesses in an informal hearing.

4. FINDINGS/SANCTIONS: The Hearing Officer/adjudicator will decide based upon the evidence whether you have violated the rule(s) as charged in the misconduct report. The Hearing Officer/adjudicator may dismiss the alleged rule violation(s) for insufficient evidence or corrective action using less formalized procedures. In a formal hearing, the Hearing Officer may also find a violation of a lesser included charge. The Hearing Officer may dismiss the alleged rule violation(s) at any stage of the proceedings with or without prejudice.

If you are found in violation, the Hearing Officer/adjudicator may impose sanctions. These sanctions may include, but are not limited to: segregation, monetary fines, loss of privileges, restitution, and basic visits.

In a formal hearing, the Hearing Officer will prepare and submit to the functional unit manager, a written finding of fact, conclusion, and Preliminary Order within ten (10) working days of the conclusion of your hearing.

Procedural Points

Documentation provided at the hearing indicated that the Adult in Custody (AIC) had been given a copy of the Misconduct Report, Notice of Hearing/ Rights and the Rules of Prohibited Conduct.
 Per written testimony from staff, the AIC declined to attend the hearing and as such waived the right to be present at the hearing.
 A mental health evaluation was submitted for this AIC and was considered by the Hearings Officer at the time of the hearing.

Finding of Fact

On November 1, 2023, Corporal Buczynski was working their assigned post in Unit 1 at the Oregon State Correctional Institution. Corporal Buczynski reports Adult in Custody (AIC) Barrett (22418875) released from the Disciplinary Segregation Unit (DSU) and entered Unit 1. Corporal Buczynski reports AIC Barrett asked if there was another AIC assigned to the cell with AIC Barrett and Corporal Buczynski said, "Yes." Corporal Buczynski reports AIC Barrett asked "Corporal Buczynski remembered AIC Barrett and Corporal Buczynski that he is assigned to a cell with another AIC at this time and needed to call in. Corporal Buczynski reports AIC Barrett said, "No. I need protective custody." Corporal Buczynski told AIC Barrett to report to his assigned cell and AIC Barrett said "No. I need protective custody." Corporal Buczynski reports AIC Barrett was placed into restraints and escorted to DSU.

Ultimate Findings of Fact and Conclusions

AIC overtly refused to promptly or in a timely manner comply with a valid order, which creates a threat to the safety, security, or orderly operation of a facility, thereby, violating Rule 4.01, Disobedience of an Order.
 AIC failed to be present, in any location designated by assignment, programmed activity, call out, or employee or non-employee service provider directive (or is in any location not designated by assignment, programmed activity, call out, or employee or non-employee service provider directive), which creates a threat to the safety, security, or orderly operation of a facility, thereby, violating Rule 4.40, Unauthorized Area 1.

Preliminary Order

AIC has had 2 major rule violation(s) in the past two years. Rule 4.01, Disobedience of an Order 1, is on Level 3 of the Major Violation Grid.

Petitioner's imprisonment was, and is, illegal, and the proceedings resulted in a substantial denial of Petitioner's rights in violation of ORS 138.510 to 138.680 in that Petitioner was denied effective and adequate assistance of trial counsel in violation of the Fifth, Sixth, and Fourteenth Amendments to the United States Constitution, and Article I, §11 and §16, of the Oregon Constitution in the following particulars:

voluntarily, intelligently & knowingly understanding the charges against him were not the same he signed for in his petition (changed at last minute from Criminal Mischief II to False reporting - refer to court audio/transcript/record)

3) Trial Counsel was ineffective in

Assisting the Defendant in withstanding the Judges intimidation of the Defendant and convincing/coercing/extorting defendant to change his plea from no contest to "guilty" (refer to court audio/transcript 8/8/2022)

Petitioner asserts that each of the above listed claims entitles him to post conviction relief. However, to the extent that no singular claim is sufficiently prejudicial to warrant a grant of post-conviction relief, petitioner asserts that the cumulative effect of petitioner's claims is sufficiently prejudicial as to warrant relief.

WHEREFORE, Petitioner prays that the Court for an order reversing conviction(s) and sentence(s) in State of Oregon vs. S.J. Barrett Jackson County Circuit Court Number 22CR37006 expunging the records of Petitioner's arrest and convictions, releasing Petitioner from the custody of the Defendant, and/or for such further relief as this Court deems just and proper.

CERTIFICATION AND DECLARATION

I, S. S. Bennett Petitioner *pro se* do swear affirmatively and say that I am the Petitioner named in the foregoing petition for post conviction relief that I have read said petition that I know the contents thereof, and that all the facts alleged therein are true and correct to the best of my knowledge. I have not submitted records or other documentary evidence supporting my allegations at this time because such records are not currently available to me. I will submit all necessary documents supporting my allegations within the assistance of counsel after development of the record and after discovery as allowed by the Oregon Rules of Civil Procedure. It is my intention to comply with ORS 138-580 at my first opportunity and attach Affidavits, records, or other documentary evidence supporting the allegations in the petition with my Formal Petition and with the assistance of suitable counsel as required under ORS 138-590(2). Assuming post-conviction counsel fails to submit such Affidavits, records, or other documentary evidence, petitioner asserts he has not been provided the requisite suitable counsel.

Case No. 22CR37006

PETITION TO ENTER PLEA OF GUILTY FALSE
AND ORDER PERMITTING SAME

Not for

transcript/record
8/8/2022

I represent as follows

(1) My true name is Spencer Joseph Barrett. My DOB is 04/18/1994. I am 28 years of age, read, write and understand the English language, or have had the ability to do so since I was a child, who reads, writes and understands the English language for the purpose of this Petition to Enter Plea of Guilty and Order Permitting Same with me.

(2) I request a proceeding against me to be held on the above name.

(3) The attorney representing me is Colin Bradshaw. I have received a copy of the indictment (information) before pleading and have read, discussed it with my attorney and fully understand the charges made against me.

(4) I have told my attorney all the facts and circumstances as known to me concerning the matters mentioned in the indictment (information) and he has fully informed me as to such matters. My attorney has informed, counseled and advised with me as to the nature of each accusation against me and as to any possible defenses I might have.

(5) My attorney has advised me of the maximum penalty of 364 days of imprisonment and a fine of \$6,250. I have also been advised that I am pleading to a felony that under Oregon Sentencing Guidelines, the potential period of incarceration is determined by the length of the sentence of the crime of conviction to the term of probation. I have also been advised that the court finds substantial and compelling reasons they impose either more or less time than called for in the presumptive grid block range. At upward departure or departure from a presumptive incarceration term shall not be more than double the maximum duration of the presumptive incarceration term. I also have been advised as to the possibility of consecutive sentences being imposed.

(6) I understand that I am not required to plead guilty and may plead not guilty if I choose. If I plead not guilty, I understand I am entitled to a speedy trial before a jury of my peers that I have the right to call witnesses in my behalf and a right to examine and cross-examine such witnesses. I understand that I have the right to confront any witness who testifies against me and cross-examine such witnesses. I understand that I need not take the witness stand or give any testimony against myself, but the state burden of proof is upon the State of Oregon to establish my guilt, which must be established beyond a reasonable doubt. I have a right to the assistance of a lawyer for my defense at all stages of the proceedings, including a lawyer at State expense if I cannot afford one. I understand that by pleading guilty I give up these rights.

(7) I also understand that a prior record could not be used against me except for impeachment purposes. I am not making any statements or admissions, which I may have made or may evidence obtained by virtue of a search and seizure of my property may well be inadmissible against me in evidence unless certain of my constitutional rights have been safeguarded, which rights have been explained to me.

(8) I declare that no officer or agent of any branch of the government nor any lawyer or any other person has made any promise to me, or with my knowledge to anyone else, that I would receive a lighter sentence or any other form of leniency by pleading guilty with the exception that, in consideration of my plea of guilty to Count I (CMT), the State will recommend 18 months to 10 days jail CMT's, no contact with Brenda C. Hubbard 347 E. Main St., Ashland, no contact with Andrea Assuncao, restitution. The State will dismiss the remaining counts.

(9) I fully understand that the actual sentence is up to the Court, no matter what any recommendations may be.

(10) I believe that my attorney has done all that anyone could do to counsel and assist me and that there is nothing about the proceedings in this case against me which I do not fully understand. I am satisfied with the advice and help which has been given me.

(11) I know if I claim to be innocent, the court will not accept my guilty plea. I am pleading to the crime(s)
Count No. 1 - Criminal Mischief III (A Misdemeanor, ORS 164.354).

(12) I have taken no drug or drug test anything else which would in any way impact my judgment at this time, and I am now fully alert. In signing this petition, I am doing so knowingly and voluntarily and offer my guilty plea of my own free will and accord with a full understanding of all the matters set forth in the indictment (information) and in this petition.

I. The factual basis of my guilty plea is as alleged in the charging instrument.

(14) I am not a citizen of the United States. I understand that a plea of guilty or a conviction could result in deportation or denial of United States Citizenship.

(15) I understand that I am not a citizen of the United States and I am pleading guilty to a crime which is considered an aggravated felony under 8 U.S.C. 101. This conviction will result in removal proceedings against me unless the United States Attorney General or his designee choose not to pursue removal. I also understand that this conviction will result in a change of my immigrant or status.

(16) In addition to the sentence imposed, I understand that there may be other significant consequences if I enter a guilty or no contest plea, including but not limited to a prohibition from leaving the state without first requesting transfer of supervision under the provisions of the Interstate Compact for the Offender Supervision.

(17) I understand that if I enter a plea of guilty or no contest to an offense involving domestic violence as defined in ORS 146.240, and am convicted of the offense, federal law may prohibit me from possessing, receiving, shipping or transporting any firearm or firearm ammunition, and that the conviction may negatively affect my ability to serve in the Armed Forces of the United States as defined in ORS 348.282 or to be employed in law enforcement.

(18) I agree that if I withdraw or a court later reverses, vacates, or sets aside my plea of guilty or no contest, or in a case the court will reinstate any charges that were dismissed in return for my plea and the district attorney no longer will be bound by any promises made to me in exchange for my plea. If the court reinstates the charges, I waive the statute of limitations and any statutory or constitutional speedy trial or double jeopardy rights applicable to the dismissed charges.

(19) I hereby acknowledge that my attorney or the Court has furnished me with a Notice and Advice of Right to Appeal pursuant to ORS 137.020 (5).

WARNING: This is an official Order from the Court. It affects your rights. Read this Order immediately and carefully. If you do not understand it, contact a lawyer for help.

Your spouse has filed a "Petition for Dissolution of Marriage with Children (Divorce)" with the court. This Order is made at the direction of the Presiding Judge of the Superior Court of Arizona in Pinal County. This Order has the same force and effect as any order signed by the Judge. You and your spouse must obey this Order. This Order is in effect on Petitioner from date of filing and on Respondent from date of service.

This Order may be enforced by any remedy available under the law, including an "Order of Contempt of Court". To help you understand this Order, you have been provided this explanation. Read the explanation and then read the statute itself. If you have any questions, you should contact a lawyer for help.

EXPLANATION: (What does this Order mean to you?)

2 1. **ACTIONS FORBIDDEN BY THIS ORDER:** From the time the **Petition for**
3 **Dissolution of Marriage with Children** ("the **Petition**") is filed with the court, until

10 permission from the court. The law allows for situations in which you may
11 need to transfer joint or community property as part of the everyday
12 running of a business, or if the sale of community property is necessary to
13 meet necessities of life, such as food, shelter or clothing, or court fees and
14 attorney fees associated with this action. If this applies to you, you should
15 see a lawyer for help, **AND**
- 16 d. You may **not** harass, molest or bother your spouse or the children; **AND**
- 17 e. You may **not** physically abuse or threaten your spouse or the children;
18 **AND**
- 19 f. You may **not** take the minor children common to the parties out of the State
20 of Arizona for any reasons without a written agreement between you and
21 your spouse or a Court Order, **before** you take the minor children of the
22 State;
- 23 g. You may **not** remove or cause to be removed, the other party or the minor
24 children from any existing insurance coverage, including medical, hospital,
25 dental, automobile and disability insurance. Both parties shall maintain all
26 insurance coverage in full force and effect.

27 **STATUTORY REQUIREMENTS:** Arizona Law, A.R.S. §25-315(A) provides:

28 1(a). **RESTRICTIONS ON PROPERTY OF THE MARRIAGE:** That both parties
are enjoined from transferring, encumbering, concealing, selling or otherwise disposing
of any of the joint, common or community property of the parties, **except** if related to the
usual course of business, the necessities of life, or court fees and reasonable attorney fees
associated with an action filed under this article, without the written consent of the parties
or the permission of the court.

1(b). **REQUIREMENTS OF BEHAVIOR:** That both parties are enjoined from
molesting, harassing, disturbing the peace, or committing an assault or battery on the
person of the other party or any natural or adopted children of the parties.

1(c) **RESTRICTIONS ABOUT YOUR MINOR CHILDREN:** That both parties are enjoined from removing any natural or adopted minor children(ren) of the parties, then residing in Arizona, from the jurisdiction of the court without the prior written consent of the parties or the permission of the court.

1(d). **RESTRICTIONS ABOUT INSURANCE:** That both parties are enjoined from removing, or causing to be removed, the other party or the minor children from any existing insurance coverage, including medical, hospital, dental, automobile and disability insurance. Both parties shall maintain all insurance coverage in full force and effect.

2. **EFFECTIVE DATE OF THIS ORDER:** This Order is effective against the person who filed for divorce, annulment or legal separation (the Petitioner) when the Petition was filed with the court. It is effective against the other party (the Respondent) when it is served on the other party, or on actual notice of the Order, whichever is sooner. This Order shall remain in effect until further order of the court, or the entry of a Decree of Dissolution, Annulment or Legal Separation.

3. **ORDER TO PETITIONER:** You must serve a copy of this Order upon the Respondent along with a copy of the Petition for Dissolution, Annulment or Legal Separation, the Summons, and other required court papers.

4. **WARNING:** This is an official Court Order. If you disobey this Order, the court may find you in contempt of court. 5. **LAW ENFORCEMENT:** You or the other party may file a certified copy of this Order with your local law enforcement agency. You may obtain a certified copy from the Clerk of the Court that issues this Order. If you are the person who brought this action, you must also file evidence with the law enforcement agency that this order was served on the other party. If any changes are made to this Order and you have filed a certified copy of this Order with your local law enforcement agency, you must notify them of the changes.

6 is allowed to remove the Minor Child from the State of Arizona for vacations,

of any change of address or phone number no later than within 7 days of the change.

1 **NOTIFICATION OF EMERGENCY/CHANGE OF PARENTING TIME.** Each

cooperate with each other on an ongoing basis to accommodate the schedules of the
parents and the Minor Child.

7 **TELEPHONE CONTACT.** Each parent may have telephone contact with the Minor
8 Child during the Child's normal waking hours but shall not interfere with the Child's
schoolwork or activities.

regarding the Minor Child on a regular basis but not less than on a monthly basis.

17 Rules of Family Law Procedure. If Mother does not comply with the notification
requirements of this subsection, she is subject to court sanctions.

18 **PERIODIC REVIEW AND CHANGES.** The parents will review this Plan on an
19 annual basis. If the parents still approve of the Plan, then the Plan will remain in place.

20 parents will first use the services of the court conciliation services before filing any
documents with the court.
21

1 **DISPUTES AND ALLEGED BREACHES.** If there are any disputes or alleged
2 breaches of this Plan, either party may request that such disputes be mediated through
3 conciliation services prior to filing an action with the court.

4 **MEDIATION.** If the parents are unable to reach a mutual agreement regarding a legal
5 change to their parenting orders, they may request mediation through the court or a
6 private mediator of their choice.

7 **DO NOT DEVIATE FROM PLAN UNTIL DISPUTE RESOLVED.** While a dispute
8 is being resolved, neither parent shall deviate from this Parenting Plan or act in such a
9 way that is inconsistent with the terms set forth herein.

11 and interpreted under the laws of Arizona, and it is expressly agreed that should any

19 of this Plan. The Parties acknowledge that all agreements between the Parties concerning
20 the care and custody of the Minor Child are incorporated into this Plan.

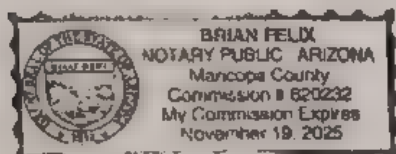

21 **NOTIFICATION REGARDING SEX OFFENDERS.** A Child's parent or custodian
must immediately notify the other parent or custodian if the parent or custodian knows
that a convicted or registered sex offender or a person who has been convicted of a
dangerous crime against Child as defined in Section 13-705 may have access to the
Child. The parent or custodian must provide notice by first class mail, return receipt

ARIZONA LAW REQUIRES all actions for **DIVORCE** or **LEGAL SEPARATION** to include this **NOTICE** and for the person filing for Divorce or Legal Separation to **SERVE** this **NOTICE** on the other party pursuant to A.R.S. §25-318(F).

YOU AND YOUR SPOUSE ARE RESPONSIBLE FOR COMMUNITY DEBTS.

The court usually requires/orders one spouse or the other to pay certain community debts in, or through, the Decree of Dissolution or Legal Separation. A court order that does this is binding on the spouses **only, not the creditors**. You and your spouse are legally responsible for these community debts whether you are married, divorced, or legally separated. These debts are matters of contract between **both of you** and your creditors (such as banks, credit unions, credit card companies, utility companies, medical providers and retailers). On request, the court may impose a lien against the separate property of a spouse to secure payment of certain community debts.

CONTACT CREDITORS: You may want to contact your creditors to discuss the debts and the effects of your divorce/legal separation on your debts. To assist you in identifying your creditors, you may obtain a copy of your spouse's credit report by making a written request to the court for an order requiring a credit reporting agency to release the report to you. The credit report will help you identify accounts, account

numbers and account balances. In addition, within thirty (30) days after receipt of a request from a spouse who is party to a divorce or legal separation action, which includes the court and cause number of the action, creditors are required, by law, to provide information as to the balance and account status of any debts for which you or your spouse may be liable to the creditor.

WARNING: if you do not understand this notice, you should contact an attorney for advice about your legal rights and obligations.

The following page contains a sample form you *may* choose to mail to creditors to get information about debts owed by you or your spouse. It is not a required form.

WARNING: THIS IS AN IMPORTANT LEGAL NOTICE. YOUR RIGHTS TO HEALTH INSURANCE COVERAGE COULD BE AFFECTED AFTER YOUR DIVORCE IS FINAL. READ THIS NOTICE CAREFULLY. IF YOU DO NOT UNDERSTAND THIS NOTICE, YOU SHOULD CALL AN ATTORNEY FOR ADVICE ABOUT YOUR LEGAL RIGHTS AND OBLIGATIONS.

IMPORTANT INFORMATION IF YOU ARE ON YOUR SPOUSE'S INSURANCE PLAN: When a Petition for Dissolution of Marriage (papers for a divorce decree) is filed, you and/or your children may continue to be covered under your spouse's health insurance policy. Arizona law allows the dependent spouse and/or children to continue to be covered, but you must take some steps to protect your rights.

WHAT INSURANCE COVERAGE APPLIES TO YOU, AND HOW TO GET IT: If you are covered by your spouse's health insurance, and you want to continue to be covered after the divorce is final, you **must** contact the insurance company as soon as possible, and you **must** start to pay the monthly insurance premium within 31 days of the date the insurance would otherwise stop.

Parent Information Program Notice

Attendance is required (A.R.S. § 25-352). You and the other parent must attend and complete a class in the Parent Information Program. As a precaution against any type of abuse or harassment, you and the other parent must attend separate classes. You may each take the class from the same agency, but not at the same time. This is not a parenting skills class. The purpose of the program is to give parents information about how children are affected by matters that involve divorce, paternity, legal decision-making (custody) and/or parenting time. This Notice applies to all parents who file any of the following actions.

- Dissolution of marriage or legal separation that involves a natural or adopted minor child common to the parties OR
- Paternity with a request that the court determine legal decision-making authority (custody), parenting time or child support, OR
- Any other domestic relations/family cases if attendance is ordered by the court.

If you do not attend the parent information class, the judge may not sign your papers and you may not get what you asked from the court. The judge may also find you in contempt of court.

Notice to the other parent. After you file your court papers, you must serve the Order and Notice on the other parent. If you have questions on how to serve the other parent, the Superior Court Law Library Resource Center locations have forms and instructions available.

RIGHTS IN FORMAL AND INFORMAL HEARINGS

1. HEARING: You are entitled to a hearing whenever a Misconduct Report is filed against you. Prior to your hearing, you will be provided 1 copy of the Misconduct Report, a Notice of Hearing Rights, and the Rules of Misconduct. Once you receive these documents, you will have at least 24 hours to prepare for your hearing, unless you waive this right. If you are charged with one or more major rule violations, you will have a formal disciplinary hearing before a Hearings Officer. If you are charged with only minor rule violations, you will have an informal disciplinary hearing before an adjudicator, unless you specifically request that the minor charges be heard at a formal hearing. Formal hearing proceedings will be recorded.

You may waive/decline your right to attend your hearing. Inappropriate behavior could also warrant your exclusion from participation in the hearing. In such cases, the hearing will be conducted in your absence and you will be notified in writing of the decision.

2. REPRESENTATION/EVIDENCE: You have a right to speak on your own behalf and present evidence at the hearing. You will be allowed to receive assistance from another person during the hearing to prepare a defense, to understand the charge or the surrounding facts and rights available to you if you have a visual, speech, or hearing disability and/or your competency is in question.

The Hearings Officer/adjudicator may exclude evidence that is determined to create a threat to the safety or security of the facility or that would not assist with the resolution of the disciplinary action. The Hearings Officer/adjudicator may consider evidence which is considered confidential and you will not be provided the names of individuals providing the information or any specific statements they may have given.

3. INVESTIGATION/WITNESSES: In a formal hearing, you may request an investigation on be conducted related to the charges against you or witnesses be called to testify on your behalf. However, you should submit your request for witnesses to the Hearings Officer in writing in advance of the hearing and include a list of the person(s) you are requesting be called to testify and the questions sought to be posed to each person. Requests for witnesses must minimally be made to the Hearings Officer at the time of the hearing. You must provide the Hearings Officer with sufficient evidence to conclude that the results of the investigation and/or the testimony provided by witnesses will either constitute a defense to the charge(s) or substantially lessen the severity of the violation(s). Otherwise, the Hearings Officer may deny your request. Requests for witnesses made or received after a hearing is decided will not be considered. In an informal hearing, you may request an investigation. Adults in Custody (AIC) are not permitted to call witnesses in an informal hearing.

4. FINDINGS/SANCTIONS: The Hearings Officer/adjudicator will decide based upon the evidence, whether you have violated the rule(s) as charged in the misconduct report. The Hearings Officer/adjudicator may dismiss the alleged rule violation(s) for insufficient evidence or corrective action using formalized procedures. In a formal hearing, the Hearings Officer may also find a violation of a lesser included charge. The Hearings Officer may dismiss the alleged rule violation(s) at any stage of the proceedings, with or without prejudice.

If you are found in violation, the Hearings Officer/adjudicator may impose sanctions. These sanctions may include, but are not limited to segregation, monetary fines, loss of privileges, restitution, and basic visits.

In a formal hearing, the Hearings Officer will prepare and submit to the functional unit manager, a written Finding of Fact, Conclusion, and Preliminary Order within ten (10) working days of the conclusion of your hearing.

DECEMBER 28 2022
Honorable Judge,
I am happy to say I have finally received
the payst evaluation which you used as evidence
in your order finding me unfit to proceed -
dated 10/5/22 (case # 19CR17970).
I hope there is audio evidence to back up
Jabell's claims - because I have noted
more than 40 transcription errors (counting)
I have personally worked for the D.O.J.
in the D.O.I. as a court reporter and
transcriber in early 2019 and we took
many pre-cautions to ensure errors like
this did not happen. Although the current
lack of accountability is appalling I hope
my experience and testimony will help make

19CR17970

One interesting coincidence is that the
sort of confusion doesn't happen again.

There is much more I would like to
talk with you about, but I will wait
until after the holidays.

So please extend the benefit of doubt
your word for word response to the (10/5)

error my lawyer Amy Counter made
on her Declaration - which I am still
"in the dark about" to me, my character,
innocence and sanity, despite the possibly
made payn evil.

Happy Holidays from The Oregon State Hospital!

Case #: 19CR1790

Your Honor,

evidence that the evaluation by Charlotte was NOT objective or impartial and also lied about hypothetical reasoning skills and my inability to participate in my defense (refer to page 5 of 8 "Prognostic admission assessment").

Also evidence of Jackson County DA & Judge deception, coercion (letter to grand jury transcript from 8/8/22 and page 2 of petition to enter plea of Guilty) - which was signed by me for criminal mischief but all handwritten notes - was ~~completely~~ changed on the day of the plea to "false reporting" (case # 22CR37006).

Page 000012 of "Supplemental Incident Report" (Oregon state police Incident SP184261) ⁵³ Frank Clarys @ 11/16/2018 12:51

testifies to my defense that I drank after the accident an amount of 1/2 Tequila or beer sufficient to put me over the limit. Without further evidence it is simply a matter of my words versus theirs and I hope my lawyer has shared my mitigation packet and other life work and testimony to my character.

I thank you for considering still I will prefer a trial by jury but wanted to prove

SUBJECT Collision assist

EVIDENCE DVD In car video (audio from Dep. Hudson SPST's)

OTHERS MENTIONED Senior Trooper Ken Martin / Oregon State Police - Springfield
Deputy Hudson #197 / Lane County Sheriff's Office

ACTION TAKEN

The following statements are summarized for the convenience of the reader. They are not verbatim and do not necessarily reflect the chronology of the contact.

On Friday November 16, 2018 at 12:31 I was requested to assist Senior Trooper (Sr. Trooper) Martin with a two vehicle collision on SR 58 near milepost 14. Refer to Sr. Trooper Martin's report for details of this collision investigation.

Upon arriving I observed Deputy (Dep.) Hudson was speaking with one of the drivers, Spencer Barrett, who was in the collision that left the scene and was stopped by a Good Samaritan. I observed Dep. Hudson put Barrett through standardized field sobriety test. Refer to Dep. Hudson's report for details of this DUI investigation. After Barrett was done with the test I asked him several questions. I asked if he was the owner of the GMC vehicle involved in the collision. Barrett replied, "Yeah." I asked why he was from the scene. Barrett denied running from the scene and talked about not wanting to be in the middle of the scene. I asked if he made any effort to call 911. Barrett stated he did not. I asked about his travels that day. He told me he was coming from Eugene and going to the springs but he didn't make it all the way because he had to turn around and go back to pick someone up. I asked if he and any alcohol to drink before the crash. He stated, "Not this morning." He could not remember how much he drank and said the tequila was involved but he didn't feel drunk this morning. He did know if he blacked out and he didn't know when his night ended. He told he woke up between 5 and 8. I asked if he drank any alcohol after the wreck. He said one or two. I asked if he smoked marijuana. He replied, "I shouldn't." He denied smoking any marijuana since July sometime. He denied using any illicit, controlled substances or prescription medication.

Deputy Hudson then placed Barrett in custody. I then continued to assist Sr. Trooper Martin with the collision investigation.

CASE STATUS:

YELLOW

Mr. Barrett was asked how he could assist his attorney with his case. He stated, "I could give her some facts of the case and that would help my attorney." He then began talking about one of the witnesses in his current case, stating, "One of the witnesses works in the culture of war, he is a vet and had gloves and he is just yelling at me, in pure evil hatred." He continued, "I am trying to mail the Governor about this about another case they have not given me envelopes to send babies clothes, I don't trust the Governor." He then stated, "Hopefully I get a new attorney. I requested one a while ago, but they did not take my request seriously, so I am just moving along and just in a piece mail, but I made a promise to myself that I should not plea, but I am unsure of myself."

Ability to Participate in the Defense of the Defendant Including Making Relevant Decisions Independently

I attempted to engage Mr. Barrett in conversation to gauge his rational understanding and appreciation of court. He was unable to engage in a discussion of a hypothetical situation due to his inability to stay on topic. When asked to discuss aspects of his case, such as with the police are a legacy, he began perseverating on his innocence and, as mentioned above, the evil nature of the system and the witnesses that were interviewed in his case. Although he identified himself as the one who has the final say in the decisions made related to his case, he also made statements that due to the "corrupt nature" of the system, he is most likely to be successful in his case if he just does whatever his attorney says of him. He was reminded that what his attorney tells him is advice and that he is the one who ultimately must make the final decisions in his case. It is unclear if he retained the education as he became tangential and began talking about the legal system. He was able to identify how he should act in a courtroom. He reported it would be better he does not testify in his case as "they are already trying to prosecute me by their own projection, and they" I just say something that further makes me look bad. They are picking and choosing words for me and that is a confirmation bias."

OPINION

Mr. Barrett meets criteria for a qualifying mental disorder as described above. During the current interview he presented as significantly disorganized and tangential. Additionally, he evidenced significant delusional beliefs that were grandiose and persecutory in nature.

Mr. Barrett demonstrated some factual knowledge related to his case and the legal system. He was aware of his charges, his plea options, and possible sentencing lengths. However, his delusional beliefs interfered with his ability to rationally conceptualize the roles of various legal personnel. Mr. Barrett does not understand the nature of the proceedings against him. His rational appreciation of his pending charges is impacted by his disorganization and delusional beliefs. Additionally, his ability to have a rational discussion about his case and use of his factual knowledge in relation to his case is impacted by these symptoms. As a result, his ability to engage in rational discussion about his charges, possible defense strategies, and evidence is impacted by his qualifying mental disorder.

Mr. Barrett is not able to assist and cooperate with counsel. His tangential speech and cognitive disorganization impact his ability to effectively and rationally communicate with his attorney. His delusional beliefs have impacted his ability to understand his attorney's role in his case and has impacted his ability to trust his attorney. He will likely not take in the information the prosecutor is to him as his delusions have influenced his faith in his attorney's abilities and the legal system as it

THE STATE OF OREGON

Plaintiff,

Case No. 22CR37006

SPENCER JOSEPH BARRETT

Defendant.

PETITION TO ENTER PLEA OF GUILTY
AND ORDER PERMITTING SAME

*English as
written by
James J. Jett
before clerk
of court*

I represent as follows

(1) My true name is Spencer Joseph Barrett. My DOB is 04/11/1994. I am 28 years of age. I read, write and understand the English language, or I have had my attorney, or someone else on my behalf, who reads, writes and understands the English language, review the Petition to Enter Plea of Guilty and Order Permitting Same with me.

(2) I request all proceedings against me to be had in the above line.

(3) The attorney representing me is Colin Bradshaw. I have received a copy of the indictment (information) before pleading and have read it discussed with my attorney and fully understand all charges made against me.

(4) I have told my attorney all the facts and circumstances as known to me concerning the matters mentioned in the indictment (information) and believe that my attorney is fully informed as to all such matters. My attorney has informed, counseled and advised with me at length as to the nature of each accusation against me and as to any possible defenses I might have.

(5) My attorney has advised me to the maximum penalty of 364 days of imprisonment and a fine of \$6,250. I have also been advised of my right to plead not guilty and to have a jury trial. I have also been advised that if the court finds substantial and compelling reasons why impose either more or less time than called for in the presumptive grid book range. An upward deviation departure from a presumptive or sentencing term shall not total more than double the maximum duration of the presumptive maximum term. I also have been advised as to the possibility of consecutive sentences being imposed.

(6) I understand that I am not required to plead guilty and may plead not guilty if I choose. If I plead not guilty, I understand I am entitled to a speedy trial before a jury of my peers, that I have the right to call witnesses in my behalf and at no expense to me and that any such witnesses so called would be sworn and to appear and testify, that I have an absolute right to confront any witness who would testify against me and cross examine such witness, that I need not make the witness stand or give any testimony against myself, that the sole burden of proof is upon the State of Oregon to establish my guilt, which must be established beyond a reasonable doubt, that I have a right to the assistance of a lawyer for my defense at all stages of the proceedings, including a lawyer at State expense if I cannot afford one. I understand that by pleading guilty I give up these rights.

(7) I also understand that a prior record could not be used against me except for impeachment purposes, that any admissions, statements or confessions which I may have made or any evidence obtained by virtue of a search and seizure of my property may well be inadmissible against me in evidence unless certain of my constitutional rights have been safeguarded, which rights have been explained in detail.

(8) I declare that no officer or agent of any branch of the government nor any lawyer or any other person has made any promise to me, or with my knowledge to anyone else, that I would receive a lighter sentence or any other form of leniency by pleading guilty with the exception that in consideration of my plea of guilty to Count 1 (CJ01), the State will recommend 18 months to 19 days jail (CJ1), no contact with Sexus Club 347 E. Main St., Ashland, no contact with Andrea Assouline, restriction. The State will discuss the remaining counts.

(9) I fully understand that the actual sentence is up to the court, no matter what any recommendations may be.

(10) I believe that my attorney has done all that anyone could do to counsel and assist me, and that there is nothing about the proceedings in this case against me which I do not fully understand. I am satisfied with the advice and help he/she has given me.

(11) I know if I claim to be innocent, the court will not accept my guilty plea. I am pleading to the crime(s)
Count No. 1 - Criminal Mischief II (A Misdemeanor, ORS 164.345).

(12) I have taken no advice or doing nor anything else which would in any way impact my judgment at this time and I am now fully alert. In signing this petition, I am doing so knowingly and voluntarily and enter my guilty plea of my own free will and accord with a full understanding of all the matters set forth in the indictment (information) and in this petition.

(13) The factual basis of my guilty plea is as alleged in the charging instrument.

(14) If I am not a citizen of the United States, I understand that a plea of guilty or a conviction could result in deportation or denial of United States Citizenship.

(15) I understand that if I am not a citizen of the United States and I am pleading guilty to a crime which is considered an aggravated felony under 8 U.S.C. 10, this conviction will result in removal proceedings against me unless the United States Attorney General or his designee choose not to pursue removal. I also understand that this conviction will result in a change of my immigration status.

(16) In addition to the sentence imposed, I understand that there may be other significant consequences if I enter a "guilty" or "no contest" plea, including but not limited to, a prohibition from leaving the state without first requesting transfer of supervision under the provisions of the Interstate Compact for Adult Offender Supervision.

(17) I understand that if I enter a plea of guilty or no contest to an offense involving domestic violence, as defined in ORS 135.230, and am convicted of the offense, federal law may prohibit me from possessing, receiving, acquiring, or transporting any firearm or firearm ammunition and that this conviction may negatively affect my ability to serve in the Armed Forces of the United States as defined in ORS 348.282 or to be employed in law enforcement.

(18) I agree that if I withdraw or if a court later reverses, vacates, or sets aside my plea of "Guilty" or "No Contest" in this case, the court will reinstate my charge(s) that were dismissed in return for my plea and the district attorney no longer will be bound by any promises made to me in exchange for my plea. If this court reinstates the charge(s), I waive the statute of limitations and any statutory or constitutional speedy trial or double jeopardy rights applicable to the dismissed charges.

(19) I hereby acknowledge that my attorney or the Court has furnished me with a Notice and Advice of Right to Appeal pursuant to ORS 137.020 (3).

it is apparent by multiple forms of evidence that my past lawyer and current lawyer, both public defenders (known to many as "public defenders") do not have my best interest in mind or heart; it is with that realization that I will be representing myself as well as exercising my right to remain silent during the proceedings.

although it is claimed that my exercise may to be a detriment right cannot be used against me I have very valid and necessary reasons for doing so which I wish to convey to the jury through written word. However, the current conditions of confinement make even the simplest methods of discussion and access to legal materials such a struggle that any efforts to prepare a defense become futile and repeatedly inadequate when compared to the resources available to my prosecutors.

Regardless, I would like a trial date set as soon as possible to use the past letters and my mitigation packet from

Your Honor,

I have been diagnosed w/ a Mental Disorder which qualifies as a disability under the Americans with Disabilities Act. After following the procedures on page 12 of the Information Manual for adults in custody, where I sent a inmate request form to Medical Services where I detailed my disability and requested I not be moved from the cell. AID because the window allowed me to see the sky and green grass and the ventilation system worked good. I found this necessary for me to maintain mental health while I wait to stand for trial. The cell I have been moved to in East Annex has no windows to see outside and the ventilation is non-existent creating a stuffy and unhealthy environment for so many individuals. East Annex is not a good place for inmates and none that can last throughout the night (which I am well acquainted with) since spending September to November here last year before I was sent to Oregon State Hospital (by your Order). This is very uncomfortable and hard to maintain health. I hope to study HOW I CAN ^{be a good person} to be mailed from my own state my attorney will not respond or help on the matter because apparently

DISTRIBUTION: Lane County District Attorney's Office; Lane County Sheriff's Office Attn: Deputy Hudson #197

SUBJECT: Collision assist

EVIDENCE: DVD- In car video (audio from Dep. Hudson SFST's)

OTHERS MENTIONED: Senior Trooper Ron Martin / Oregon State Police- Springfield
 Deputy Hudson #197 / Lane County Sheriff's Office

ACTION TAKEN:

The following statements are summarized for the convenience of the reader. They are not verbatim and do not necessarily reflect the chronology of the contact.

On Friday November 16, 2018 at 12:51 I was requested to assist Senior Trooper (Sr. Tro.) Martin with a two vehicle collision on SR 58 near milepost 14. Refer to Sr. Tro. Martin's report for details of this collision investigation.

Upon arriving I observed Deputy (Dep.) Hudson was speaking with one of the drivers, Spencer Barrett, involved in the collision that left the scene and was stopped by a Good Samaritan. I observed Dep. Hudson put Barrett through Standardized Field Sobriety Test. Refer to Dep. Hudson's report for details of his DUI investigation. After Barrett was done with the test I asked him several questions. I asked if he was the owner of the GMC vehicle involved in the collision. Barrett replied, "Yeah." I asked why he ran from the scene. Barrett denied running from the scene and talked about not wanting to be in the middle of the scene. I asked if he made any effort to call 911. Barrett stated he did not. I asked about his travels that day. He told me he was coming from Eugene and going to the springs but he didn't make it all the way because he had to turn around and go back to pick someone up. I asked if he and any alcohol to drink before the crash. He stated, "Not this morning." He could not remember how much he drank and said the beignia was involved but he didn't feel drunk this morning. He did know if he blacked out and he didn't know when his night ended. He told he woke up between 5 and 8. I asked if he drank any alcohol after the wreck. He said one or two. I asked if he smoked marijuana. He replied, "I shouldn't." He denied smoking any marijuana since July sometime. He denied using any illicit controlled substances or prescription medication.

Deputy Hudson then placed Barrett in custody. I then continued to assist Sr. Tro. Martin with the collision investigation.

CASE STATUS:

Yellow

Mr. Barrett was asked how he could assist his attorney with his case. He stated, "I could give her some facts of the case and that would help my attorney." He then began talking about one of the witnesses in his current case, stating, "One of the witnesses works in the culture of war he is a vet and had gloves and he is just yelling at me, in pure evil hatred." He continued, "I am trying to mail the Governor about this about another case they have not given me envelopes to send habus corpus, I don't trust the Governor." He then stated, "Hopefully I get a new attorney. I requested one a while ago but they did not take my request seriously so I am just moving along and just in a plea mill, but I made a promise to myself that I should not plea, but I am unsure of myself."

Ability to Participate in the Defense of the Defendant Including Making Relevant Decisions Independently

I attempted to engage Mr. Barrett in conversation to gauge his rational understanding and appreciation of court. He was unable to engage in a discussion of a hypothetical situation due to his inability to stay on topic. When asked to discuss aspects of his case, such as what the police are alleging, he began perseverating on his innocence and, as mentioned above, the evil nature of the system and the witnesses that were interviewed in his case. Although he identified himself as the one who has the final say in the decisions made related to his case, he also made statements that, due to the "corrupt nature" of the system, he is most likely to be successful in his case if he just does whatever his attorney asks of him. He was reminded that what his attorney tells him is advice and that he is the one who ultimately must make the final decisions in his case. It is unclear if he retained the education as he became tangential and began talking about the legal system. He was able to identify how he should act in a courtroom. He reported it would be better he does not testify in his case as "they are already trying to prosecute me by their own projection, and they'll just say something that further makes me look bad. They are picking and choosing words for me and that is a confirmation bias."

OPINION:

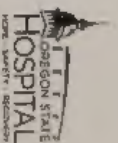

Mr. Barrett meets criteria for a qualifying mental disorder as described above. During the current interview he presented as significantly disorganized and tangential. Additionally, he endorsed significant delusional beliefs that were grandiose and persecutory in nature.

Mr. Barrett demonstrated some factual knowledge related to his case and the legal system. He was aware of his charges, his plea options, and possible sentencing lengths. However, his delusional beliefs interfered with his ability to rationally conceptualize the roles of various legal personnel. Mr. Barrett does not understand the nature of the proceedings against him. His rational appreciation of his pending charges is impacted by his disorganization and delusional beliefs. Additionally, his ability to have a rational discussion about his case and use of his factual knowledge in relation to his case is impacted by these symptoms. As a result, his ability to engage in rational discussion about his charges, possible defense strategies, and evidence is impacted by his qualifying mental disorder.

Mr. Barrett is not able to assist and cooperate with counsel. His tangential speech and cognitive disorganization impact his ability to effectively and rationally communicate with his attorney. His delusional beliefs have impacted his ability to understand his attorney's role in his case and has impacted his ability to trust his attorney. He will likely not take in the information she presents to him as his delusions have influenced his faith in his attorney's abilities and the legal system as a
